Dear Mr Wright,

Restorative Justice

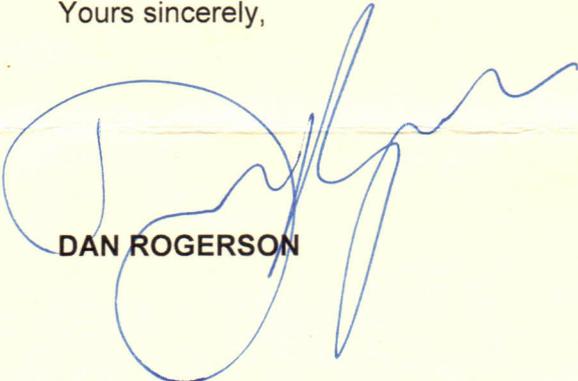

Thank you for taking the time to discuss RJ Working and the implementation of restorative justice in Cornwall. I am pleased to offer my support for the excellent work you are doing in the Duchy.

The fact that victims report an 85% satisfaction rate and feel less fear, anxiety and depression after taking part in the scheme is a clear demonstration of its effectiveness. I look forward to seeing RJ Working assisting more victims of crime and helping them overcome their experiences.

I am pleased restorative justice has the support of Devon and Cornwall Police and hope we will see a clear impact on offending in the region. It is important that the justice system uses all the tools available as appropriate and there is no doubt in my mind that restorative justice is highly effective for both victims and offenders in many cases.

If I can be of further assistance please do not hesitate to contact me.

Yours sincerely,

DAN ROGERSON
